

NOTES

Complete this form if you are applying for a Children’s Food (CF) classification. Food and beverage products to be advertised during children's programming must meet minimum nutritional standards.

Return the completed form to [advice@commercialapprovals.co.nz](mailto:advice@commercialapprovals.co.nz). We will notify you by email of the progress of this application. There is no charge for this assessment.

If this application is successful you still need to submit the finished commercial for final approval.
